No more, no more...

Bo-bo-ska-diddle-daddle, watch him go  
With iddy bitty baby he's turnin' 'round the floor  
They holler bo-bo (bo-bo), the next dance is mine  
They holler bo-bo (bo-bo), I'm a waiting in line  
Yeah, he wears a ducktail haircut and Levy pants  
The girls keep a-hollering, one more dance  
Bo-bo-ska-diddle better watch 'em go  
With iddy bitty baby he's turnin' 'round the floor  
Bo-bo-ska-diddle 'round the floor

Bo-bo-ska-diddle-daddle, watch him go  
When my iddy bitty baby's turnin' 'round the floor  
They holler bo-bo (bo-bo), that's my miss  
They holler bo-bo (bo-bo), she gotta give me a kiss  
Well, bo-bo-ska-diddle and a lover man  
He's got a lot of chicks in the palm of his hand  
Bo-bo-ska-diddle, better watch him go  
With iddy bitty baby he's turnin' 'round the floor  
Bo-bo-ska-diddle 'round the floor

Bo-bo-ska-diddle-daddle, watch him go  
With iddy bitty baby he's turnin' 'round the floor  
They holler bo-bo (bo-bo), the next dance is mine  
They holler bo-bo (bo-bo), I'm a waiting in line  
Yeah, he wears a ducktail haircut and Levy pants  
The girls keep a-hollering, one more dance  
Bo-bo-ska-diddle-daddle, watch him go  
With iddy bitty baby he's turnin' 'round the floor  
Bo-bo-ska-diddle  
And a-bo-bo-ska-diddle  
And a-bo-bo-ska-diddle  
And a-bo-bo-ska-diddle
