Chorus)

Talk is cheap, Shut Up And Dance  
Don't get deep, Shut Up And Dance

Love has got me down  
A tear just hit the ground  
So I started writing you this song  
But the words I wrote came out all wrong  
Yeah, but it's all right

(Chorus)

When you can't define the crime  
The life ain't worth a dime  
When they take away everything you got  
And they rub your nose in the funky spot  
Not without a fight

(Chorus)

When you work your fingers to the bone  
Now what does that get you - Nothing  
In a crowd of people you're still alone  
And you hope that tells you - Something

The road to Heaven is paved in Hell  
And it makes you wonder  
Why we're here at all  
Check out the shape of your circumstance  
He wears the dress and she wears the pants  
Here comes Jill and she needs romance  
But you can't do jack so Shut Up And Dance

Sex is like a gun - You aim, you shoot, you run  
When you're splittin' heads with Mr Clean  
It's like gettin' head from a guillotine  
And the night has just begun

(Repeat Chorus)
