Mary is my best friend  
She makes me my tea  
She lets me stay round her place  
When there's nowhere else to be  
There's nothing in her bedroom  
Just a bed and TV  
and it's OK if i'm in her way  
I just sit and drink my tea

I'm so lonely  
I 'aint done much  
Lately  
When you come lookin'  
You'll find me  
Sleeping  
Soundly

Mary keeps me smilin'  
Even when I'm down  
She lets me stay round her place  
When there's no-one else around  
There's nothing in her bedroom  
Just a bed and TV  
and it's OK if i'm in her way  
I just sit and drink my tea

I'm so lonely  
I 'aint done much  
Lately  
When you come lookin'  
You'll find me  
Sleeping  
Soundly

And when she comes around  
She says i always look so down  
And yeah she's always right  
She makes me feel alright
