For everything you've done to me
I'm gonna give you a thousand times more
You made my world a living hell
It's time to settle this motherfucking score
Each time you made me feel like nothing
I'll make you into nothing at all
I'm gonna laugh like a motherfucker
As I watch you meet your downfall

On a powertrip
I'm never gonna slip
I'm the one in control now
I've become addicted
To revenge

For each thing you fucking did to me
I'm gonna give you a piece of my mind
I'm gonna exact upon you my anger
Won't even fucking think of being kind
You made my life a clusterfuck of
Emotion, Catastrophic tumult
I think its time to take it out on you
My fucking up it's all your fault

On a powertrip
I'm never gonna slip
I'm the one in control now
I've become addicted
To revenge
On a powertrip (on a powertrip)
I'm never gonna slip (not gonna fuck up this time)
I'm the one in control now (in control)
I've become addicted (addicted)
To revenge

On a powertrip
I'm never gonna slip
I'm the one in control now
I've become addicted

To revenge
On a powertrip (on a powertrip)
I'm never gonna slip (not gonna fuck up this time)
I'm the one in control now (in control)
I've become addicted (addicted)
To revenge
On a powertrip
I'm never gonna slip
I'm the one in control now
I've become addicted
To revenge
