AND GODDAMN!

I've been
fucking up more then I shoulda been
In hand
Design a new order dissident
Come on
You gotta be goddamn crazy
I know
You got some kinda will in your mind

And I try
And I fight
And I cry
And I'm right

TOO GODDAMN

You are
deaf, blind, dumb and full of shit
Stuck in
Place and locked in malevolence
Screen lies
Feed me another spoonfull of shit covered in flies
Stripped bare
all for the viewing pleasure here

And I live
And I lose
And I give
And I choose

AND GODDAMN!

I've been
fucking up more then I shoulda been
In hand
Design a new order dissident
Come on
You gotta be goddamn crazy
I know
You got some kinda will in your mind

And I'm raped

And I need
And I'm scraped
And I bleed
And I fight
And I tried
And I'm right
And I died
