You thought we were dead  
Thought we were gone forever  
You thought wrong son  
We're fucking back again  
You thought we were lost  
Thought we were erased forever  
You thought wrong boy  
We're fucking back again

Long, live long!  
Long, live long!  
Long, live long!  
Long, live long!

You thought we were dead  
Thought we were gone forever  
You thought wrong son  
We're fucking back again  
You thought we were lost  
Thought we were erased forever  
You thought wrong boy  
We're fucking back again
