"Madness Attack"

1, 2, 3, 4...

Strike my brain
Leave me insane
I feel the pain
When I strain!

Madness, just fuckin mad
Madness, just fuckin mad

Allright...
Dead
Bullets for each head
The note I read
What the fuck it said

Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad
Madness, just fuckin mad

JUST FUCKING... MAD
