"Take It"

Everything I seem to say
gets me deeper into a world of nothing
All the places I look
are full of pain and realization
Am I awake?
Or am I just merely dead?
Can I take all of it
Or is this all in my head?

Somewhere there's peace
but for now there's only hate
A time to reflect
before you find a fate
Am I Alive?
Or am I just lost and gone?
Is it a new year?
Or is it just a new dawn?

I'll take it all
Like steel walls
A dam in a river of deception
I'm left to fall
I'll take it all
Like iron floodgates
A brick in the foundation
I'm left no fate
