"Like A Man"

Visit "[Like A Man](#)" on MotoLyrics.com

An old man lights his cigarette
and sets his house on fire,
sighs, looks away and takes a seat

Images flashing by,
thoughts about the lie

listen to his story and feel his need

I can't take this
'cause I can't fake this
turn around and face it like a man
I can't take this
'cause I cant make this
turn around and vanish

An old man lights his cigarette
but he won't go alone
He ties them up and tells them don't be afraid

And she,
she fights against his tightest grip
but the ether always wins

and he puts her on the bed and cries out

All my life hiding what
what I really am

All my life you knew
my heart would

rot away
