You ain't losin' me for money
Ain't losin' me for blues
Ain't losin' cause you don't wear the right kind of shoes
Ain't losin' me for madness
And not to him
I'll be gone a mile
I'm goin' with the wind

Just one more time
Down the line
Leavin' the past far behind

I wanna walk in the sun
Gotta bolt the rain
Life ain't no fun when you're always in pain
The thing that I'll try is to empty your sin
I'll be long gone
I'm goin' with the wind

Just one more time
Down the line
Leavin' the past far behind

There's nothin' left to say
Gotta be this way
I got a willful heart
I'll make a brand new start
Don't worry baby
I'll be seeing you again
I think of you while I'm goin' with the wind

Just one more time
Down the line
Leaving the past far behind

Now when I die
Don't bury me down
I'll never rest
Lying in the ground
Take all my ashes
On a greasy day

Let the wind blow me far away

Just one more time
Down the line
Leaving the past far behind

I said I'm leaving the past far behind
Just one more time
One more time
Oh yeah
