Lookin' at the sky, wonderin' why  
Why am I here in the world  
Well I may be wrong, but I feel I don't belong  
I'm a wayward girl

My heart is blowin' in the wind  
My mind is restin' on a rainbow  
I'm a dreamer, not a schemer  
I'm a wayward girl, oh

People who hypnotize to me  
Like a wheel that's spinnin'  
You know I'm always insane, I play the game  
But I sure don't care if I'm winnin'

Love oh love  
That's all I dream of  
I'll be your gal, I'm a good pal  
I'm a wayward girl  
Oh yeah, that's good

Look me in the eye  
And get a ticket to my playworld  
I may be gone before the dawn  
I'm a wayward girl  
I'm a wayward girl
