#### VERSE 1:

I heard my teacher say

Its time to concentrate

At the numbers here in my book

But all I think about

Would like to shout it out

That your the boy inside of my heart

I wonder if some day

You will come up to me and say

Some of those words i keep on hearing in my mind

#### CHORUS:

Still i wish upon a star

And i wonder where you are

In my dreams you're here beside me

Never far

Thinking maybe, maybe not

But i think of you a lot

'Cause you are the boy inside my heart

#### VERSE 2:

Im writing down some words

Thats filling up my world

Your name is spinning 'round in my mind

I wait outside the school

I guess that im a fool

But i just need to look in your eyes

I wonder if some day you will come up to me and say

Some of those words i kkeep on hearing in my mind

CHORUS

I close my eyes and give you a kiss

'Cause you're the boy that lives inside my heart

CHORUS x 2
