VERSE 1

Some boys think they

Can fool us,

But we just pretend.

(Hey, hey, hey!)

That's how I get to

Know their secrets,

And tell them to

My friends.

Hey, did you know that Johnny-

Johnny had a crush on you.

(You, ooh, you!)

But that's not all 'cause I think Johnny-

Has a crush on me, too.

BRIDGE

Sometimes them boys really

Get to you,

(Get to you!)

Then it's good to have

A best friend like you.

CHORUS

Hey!

We can go out and have

A good time,

If I go wrong

I'll still be fine,

(yeah, yeah, yeahâ€¦)

Because I have my best friend.

I can hang out with a

Real bad guy,

If he breaks my heart

I'll still be fine,

(Yeah, yeah, yeahâ€¦)

Because I have my best friend.

You and Iâ€¦.Friends Forever!

VERSE 2

We're the kind of girls who fall,

Fall in love too easily.

(Hey, hey, heyâ€¦)

When they leave us

Sad and sorry,

I have you and you have me.

(Don't you agree?)

By the way,

Did you hear the news?

There's a new boy

In the school,
(It's too cool!)
(You wonder what
he look like-and so do I).
If you get to know him first,
I won't get in the way.
(No I won't).

REPEAT BRIDGE AND CHORUS

You and I are so alike,
You don't have to tell me
What you feel inside,
Even if we sometimes fight.
Friends Forever,
'til the end if time
'Til the end of time.

REPEAT CHORUS
