There's a peace in our hearts,
And a hope in our hands,
We're a family of children,
We've come from
Many different lands,
Our time is just beginning,
Our race is yet to run,
But if you would
Take us with you,
Then we'd have a winning one
Under the southern skies,
Together in this land
Every voice in celebration,
A family hand in hand,
Under the southern skies,
As one we rise,
And tell our eyes to see,
All the wonders of the future,
In a world of harmony
There's a great spirit rising,
From the desert to the sea,

As it sweeps across
This southern land,
It calls to you and me,
Where the dreamers
Are the dreaming,
We're the fates of
Things yet to come,
Every child can be a hero,
If our world could live as one
Under the southern skies,
Together in this land
Every voice in celebration,
A family hand in hand,
Under the southern skies,
As one we rise,
And tell our eyes to see,
All the wonders of the future,
In a world of harmony
(x2)
All the wonders of the future,
In a world of harmony
