There might be a lot of people here  
And this might be a song only you should hear  
But I don't care, cause this is how I feel  
And you know  
I sing this song for you  
And you know  
I hope you feel the same way too  
And you know  
I sing this song only for you  
Now we have been  
together for a year  
And I don't know  
But to me it seems our love just grows  
Every day  
And every kind of way  
And you know  
I sing this song for you  
And you know  
I hope you feel the same way too  
And you know  
I sing this song only for you

I want to go where you go  
I want it to be  
Together you and me  
I want to make you laugh  
Make you smile  
I'm gonna be here for a long time  
Can I stay here a while?  
And you know  
I sing this song for you  
And you know  
I hope you feel the same way too  
And you know  
I sing this song only for you  
Only for you  
Only for you  
Only for you  
Only for you
