What can I do?  
What can I say?  
To make you want me more  
To have your love  
And show you how  
That's all I'm asking for

I've been around the block so many times and I need a  
place to stop  
I only wanted what's right for you and what could be  
right for us

I hear the same thing all the time and you know that I  
don't care  
Well I don't like the way you've been hanging around  
and I sure don't like your hair

Oooo-ooo why won't you give me your love?  
Oooo-ooo why won't you give me your love?

I chain you up  
I make you mine

I keep you locked downstairs  
With all the bugs  
And all the knats  
I feed you rodent hair

I keep you in my cellar safe  
I'll keep you there til dawn  
I'll wait until the sun comes up  
And I'll poke and prod you more

I know your tired and you're having a date well that  
don't mean nuts to me  
When I see you out in town, I'm gonna hid so you can't  
see

Oooo-ooo why won't you give me your love?  
Oooo-ooo why won't you give me your love?

Why won't you give me your love? [x18]
