All right, I admit it

I'm lonesome

That's right, there I've said it, baby

I'm not ashamed to be blue

Chorus:

I know now what I'm made of

Skin and bone, muscle and blood

I know now what road I'm on

I'm a vagabond on the streets of love

I'm more like myself now

Than I ever was

And I don't regret it

I'm not afraid of wanting you

Chorus

So if you turn on your porch light

Let shine just for me

It's been a while since I took my chances

But I'll come knocking at your door

Chorus
