Pop what you doin'  
Let's get out the old rods and go fishin'  
It seems to me  
There's not a lot of time that we've been spendin'  
So can we go  
It'd mean so much to me

Its been so long  
Since we played catch in the back yard  
Let's get out the six string  
Show me some new chords on the guitar  
Don't you know  
It'd mean so much to me

So many thing I could have told you  
If you'd have let me have the chance to know you  
As a friend  
So many words are left unspoken  
Always toying with my emotions  
I need a friend  
Can we go again  
To the days  
Back then

Fun at the family reunion  
Reminiscing with all our kin  
Singing songs 'til the sunset  
Playin' wiffle ball in the wind  
So can we grow  
To the way thing used to be

So many thing I could have told you  
If you'd have let me have the chance to know you  
As a friend  
So many words are left unspoken  
Always toying with my emotions  
I need a friend  
Can we go again  
To the days  
Back then
