Don't know what to do
Life seems so empty without you
Don't know if it's true
You didn't want to hurt me, desert me

Love breeds suicide
Love kills me inside

Just want to know
Is there a reason for living
Just want to go
Back where we came from, I'm begging you

Love breeds suicide
Love kills me inside

You were my reason for living
Why did it end
Why did it end
You were my sunshine, my living
Why did it end
Why did it end
