#### 5TH SEASON - Paul Weller

A storm is raging, inside my head  
The wind is howling, such thoughts of death  
Why am I so lost and confused?  
Can't find the reason, for feeling blue  
There's so much I can't explain  
Hope this season changes soon.

The lightning strikes and the mountains fall  
The sea's come crashing, against it all  
Hang on tight, in the tides of change  
And get your bearings from those still sane  
There's so much I've yet to feel  
Hope the seasons change me too.

The serpent tangles, in the lion's claw  
A cloud of darkness, hangs over all  
As fires soar, in search of sky  
So blow embers, like fire flies  
Hoping love is where they'll lie,  
And the season change us too.

#### THE WEAVER - Paul Weller

Can you put a smile back on - all these different faces  
Of all these people from - such different places  
And if you can succeed - what then will you achieve  
With a different tune to play - you've been saving for a  
rainy day

Will you heal the scar that's on - the years been wasted  
The tears spent on the past - just filling spaces  
Or is love forever gone, banished to a smaller part  
Hide behind your wall and start - to get to the very  
heart

An' if you wanna shoot the moon - make sure that you  
know why  
Careful, fly too soon - better let someone else try

I'm the weaver of your dreams - I get rid of your  
bogeyman  
I'm here to smash the shell you're under  
An' get you into another thing -

I'm the weaver of your dreams - I put paid to the  
rocketman  
I'm here to break the spell you're under  
And get you started with another plan

Could you put a kiss back on - the lips so twisted  
Waiting for the chance to start - dipping into wishes  
Or is love forever gone - banished to a smaller part  
Hide behind your wall and start - to get to the very  
heart

And in the midst of the darkest night  
Think of me and hold me tight  
So that I might live to see  
All the weaving of my dreams.
