INTO TOMORROW - Paul Weller

Into the mists of time and space
Where we have no say over date and place
Don't get embarrassed if it happens a lot
That you don't know how you started or where you're
gonna stop

And if at time it seems insane - all the tears in
searching
Turning all your joy to pain - in pursuit of learning
Buy a dream and hideaway - can't escape the sorrow
Your mojo will have no effect - as we head into
tomorrow

Round and round like a twisted wheel
Spinning in an attempt to find the feel
Find the path that will help us find
A feeling of control over lives and minds

Into the stars and always up
Drinking from a broken cup
Whose golden gleam is fading fast
Praying that it has not past
Into tomorrow
