SHADOW OF THE SUN - Paul Weller

Do you still feel the same way about it
Like you always said you would
Or has time re-written everything
Like you never dreamt it could

Remember when we wanted to fly forever
On a magic carpet ride
Well forever seems a long time
Cutting us down in size - no matter how hard we try

And I could see all I had done
Just chasing dreams across the fields - in the shadow
of the sun

Once upon a time I might have told you
But now nothing seems that plain
However much we're changing
There are some things the same - and those same
things still say

And I could see all I had done
Just chasing dreams across the fields - in the shadow
of the sun

And I plan to have it all while I'm still young
And chase the fields across my dreams - in the shadow
of the sun
In the shadow of the sun
