"BAD BOY"

He's not a bad boy because he made me see

Ooo-ee, how love could be

But he's a bad boy because he wants to be free

He wants to be free

He's not a bad boy to look at, burnin' & fine

& he said he was mine

But he's a bad boy because it was only a line

I bragged to the girls about the boy I had

But it woke me up to find out he was bad

& my only wish is that I wish I could

Make a bad boy be good

He wasn't a bad boy at first, so good at the start

Right now, right now we must part

Yes, he's a bad boy, but he's breaking my heart

Oh oh he's breaking my my my my my heart

...& fade
