Come on now, come-a come-a come-a

Come on now, come-a come-a come-a

Come to me, I love you only

Come to me, I'm so lonely

Come to me, I love you only, baby

Well, you said you'll be comin' whenever I need you

& you can bet I'm gonna please you

So come runnin', 'cause now I need you baby

Hey hey, you know I miss you baby

Well, come when the lights are burnin' low

I wanna hear you knock on my door

Tell me baby that you love me so

Love me, love me, love me till you care no more

Come to me, oh I miss you

Come to me, I wanna kiss you

Come to me, oh I miss you baby

Hey hey, you know I miss you baby

(instrumental)

(repeat previous verse)

You that I, I miss you baby

Come on, come on

...& fade
