The sweet things you do to me like holdin' my hand

When I'm low, you let me know you always understand;  
that's why...

CHORUS:

I love the way you love; it makes me feel so fine

I love the way you love because I know you're mine, all  
mine

I'll never do you wrong; I'll never make you cry

If you should stop lovin' me, you know that I'd just die,  
'cause...

(chorus)

(instrumental)

Folks tell me now & then: "Find somebody new"

I don't care what the people may say; I'm stickin' right  
here with you, 'cause...

(chorus)

Baby baby I love, I love the way you love me; it's so fine

You know I love the way you love because I know you're  
mine, all mine

One more time, & I love the way you hold me, baby, so  
fine

...& fade
