I broke your heart & said goodbye
Stayed away, my darling, & made you cry
If you turn me away, yeah yeah, all I can say
Is that 2 wrongs don't make a right

I broke your heart, you know it's true
Now I'm back begging you
Not to turn me away 'cause all I can say
Is that 2 wrongs don't make a right

Now is your chance to do me wrong
& to tell me that this is the end
Now, my darling, if you can forgive
Until the longest day I live
I'll never make that same mistake again

I took your love & said goodbye
I Stayed away, my darling, & made you cry
'Cause if you turn me away, baby, yeah yeah, all I can
say
Is that 2 wrongs don't make a right
Please don't turn me away, baby, 'cause all I can say
Is that 2 wrongs don't make a right
You know if you turn, you just turn me away, all I can
say
Is that 2 wrongs don't make a right
