Ride free or die, your laws don't apply
Gonna hop your fence and skate the pool
Skate the rail at your high school kick me out
But I'll come back maybe next time with a baseball bat

Fuck security, fuck the cops
I'm gonna skate just where I want
Skatings a crime so let's keep it that way
Just wanna sk8, sk8

Do a smith grind I'll rip down your sign
Gonna grind the benches at the mall
Kick flip the stairs at city hall you give me a ticket
I'll tear it up spit in your face and say, "You fucking
suck"

Fuck security, fuck the cops
I'm gonna skate just where I want
Skatings a crime so let's keep it that way
Just wanna sk8, sk8
