"No Face"

I know, they know
Don't drink, drive slow
Insane, no brain
Dress down, look plain
Big fun, no gun
No girl, gotta run
Flipside, can't hide
Can't think suicide

Is there anybody out there?
Does anybody know?
Is there anybody out there?
Does anybody know?

Been there, no where
Done that, get square
I'm hip, no lip
Dig this, my tip
Punk's dead, see red
Life sucks, deadhead
No race, no face
Still the same place

Is there anybody out there?
Does anybody know?
Is there anybody out there?
Does anybody know?

I don't know where I went wrong
And I don't know if I can wait that long
But every time I hear that another kid died
Through a senseless act of violence
It makes me wanna cry

Is there anybody out there?
Does anybody know?
Is there anybody out there?
Does anybody know?
