"Steal This Record"

Neatly polished up package - Do you think you have it
Just a product dressed to impress - Did you press a
plastic abscess
Is there anything left - Rhetoric uninspired theft
It's all burning with nothingness - I'm so sick of your
voices

Riot - Rebellion for sale
Buy it - Devoid of anything real
Riot - Rebellion for sale

The revolution will be televised - Bought and sold and
advertized
Who's the real charlaton - The pusher man pushin - Or
did the writer lie
your validity nullified - Do you consume the con - Do
you sing along?

Riot - Rebellion for sale
Buy it - Devoid of anything real
Riot - Rebellion for sale

Riot - Rebellion for sale
Buy it - Devoid of anything real
Riot - Rebellion for sale

I'm not for sale no - I'm not for sale no
I'm not for sale no - These words aren't for sale no
Everything is for sale - Everything is for sale -
Everything is for sale

Riot - Rebellion for sale
Buy it - Devoid of anything real
Riot - Rebellion for sale

I'm not for sale no - I'm not for sale no
I'm not for sale no - These words aren't for sale no

Everything is for sale - Everything is for sale -
Everything is for sale
Everything is for sale - Everything is for sale -

Everything is for sale - This I know
Everything is for sale - Everything is for sale -
Everything is for sale - This I know

But are you buying - Are you selling - That's the
question
Are you buying - Are you selling - That's the question
I'm not buying - Into and - I'm not buying - Into this
