Well, you're just like a club fag wearing Doc Martens  
Get a pair of chukas or some checkerboard slip-ons  
Worship Jeff Spicoli not Chris Cornell  
Get a pair of Vans or God will send you to Hell  
To Hellâ€¦!

You think Doc Martens are the coolest invention  
Since someone sliced a loaf of bread in someone  
else's kitchen  
The plain truth is that you just plain suck  
So why should I tell you not to waste a hundred bucks

Vans in my head  
Vans on my feet  
My sole is on the ground when I'm walking down the  
street 2, 3, 4  
Don't wear no Doc Martens  
Can't wear no Birkenstocks  
Just a crummy old pair of chuka boots and a smelly old  
pair of socksâ€¦!

If you want to wear them you don't have to ride a  
skateboard  
You can even wear them with a pair of old cords  
Someone'll probably tell you that they're not in trend  
Just tell them that's the reason why you don't have any  
friends  
No friendsâ€¦!

I don't wanna hear about alternative footwear  
And I don't wanna hear about your new hair-do  
I don't give a shit about you stupid motherfuckers  
'Cause I just wanna get a pair of olive green chukas!

Vans in my head  
Vans on my feet  
My sole is on the ground when I'm walking down the  
street 2, 3, 4  
Don't wear no Doc Martens  
Can't wear no Birkenstocks  
Just a crummy old pair of chuka boots and a smelly old

pair of socksâ€¦!

Vans in my head

Vans on my feet

My sole is on the ground when I'm walking down the  
street 2, 3, 4

Don't wear no Doc Martens

Can't wear no Birkenstocks

Just a crummy old pair of chuka boots and a smelly old  
pair of socksâ€¦!
