GEORGIE - Pussycat

(Werner Theunissen)

Georgie, your love reminds me of a song

When it's near you put it on,

And it's refrain

You'll remember

Georgie, But when the song is often played

Another song that has been made

Makes you forget

That you lied the other day

Chorus

Georgie, There was a time you played our love.

Remember, I'm not a record you can play

And turn it off

Georgie, like many songs you will return

Every minute I will yearn

And when it comes

You can see me standing there

Repeat Chorus

Georgie, like many songs you will return

Every minute I will yearn

And when it comes

You can see me standing there

Georgie I'm telling you I'll be standing there

To hold your hand

To kiss your lips

To say "please love me"
