IF YOU EVER COME TO AMSTERDAM - Pussycat

(Werner Theunissen)

I loved to be with you, but now I'm leaving

I really did enjoy each single evening

Moments here with you I will remember

Those rainy days that come

Summer love have left my heart enchanted

It's hard to go away before it ended

There's kisses on a mountain

And three coins in a fountain

The time has come that we must say goodbye.

Chorus

If you ever come to Amsterdam

I'll be waiting there for you

And I'll show you where young lover's go

On a sunny afternoon

Where the summer nights of Amsterdam

Covered flowers at you side

I'll be yours the day we'll meet again

In Amsterdam

I'm calling everyday 'cos when I hear you (when I hear

you)

I'm dreaming of the moment I'll be near you (I'll be near
you)

I've found a four-leafed clover

I'd like to send it over

And maybe there's a time we'll meet one day
