I'LL BE YOUR WOMAN - Pussycat
(Werner Theunissen)

You say, this world is getting harder
Everytime you seek for someone to be loved
There's some evil might
That keeps your right for hopes to come true
The room is getting smaller
And a dollar's worth a dime
And I shall be your woman
You searched for love to be much deeper
And you tried to get up
Everytime you felt the dust
Now you've lost your trust
And anything I say could be true
Trouble getting higher
Please let me pull you through
Chorus
I'll be your woman in sorrow and pain
I'll be your woman in sunshine or rain
There's a start, easy or hard to get by
Maybe we're used and thrown away
Maybe were drowned in tears everyday
Say you'll share it with me
And I'll be your woman
You say that you're a loser
But losers never die
'Cause they've a lot to gain
And if you could let me teach ya
To reach out your hand just for me
Everytime you're feeling lonely
Darling here's what I will be
And...
Repeat Chorus
