WET DAY IN SEPTEMBER - Pussycat

(Werner Theunissen)

Wet day in september

Raindrops falling tender

As I stare outside my window

And I see the clouds are passing by

I am feeling lonely

Ooh I love ya, ooh I want ya

Ooh I need ya so I think I'll die

And as I fall asleep

And All the tears I weep

Just because Ooh I love ya, ooh I want ya

Ooh I need ya so I think I'll die

there's the morning sun

And dawn wakes up that pain and find that all my  
dreams are gone

Chorus

But how can I dream when your gone my love

And you're making love

With every girl but not with me

Yes times have been changed since you went away

That I heard you say

Dear I love ya, I need ya

So much I think I'll die

Dear I love ya, I need ya,

So much I think I'll die

Why must I remember

every wet day in September

just because ooh I love ya, ooh I want ya

Ooh I need you so I think I'll die

there's the morning sun

And dawn wakes up that pain and find that all my  
dreams are gone

Repeat Chorus
