I can make pajamas,  
Like the Yokahamas  
Make 'em out of silk in Japan;  
I can make most anything,  
But I can't make a man.

Now, I can make a dinner,  
Not like a beginner;  
I won't have to open a can;  
I can make most anything,  
But I can't make a man.

I can take an old hat,  
Make it look like new,  
Just add a ribbon or two,  
That's what I do  
To cut expenses.

Now, I can make a dollar  
Jump right up and holler,  
Talk about your lemon merangue,  
I can make most anything,  
But I can't make that man.
