

Armored Saint "Burning Question"

Visit "[Burning Question](#)" on MotoLyrics.com

Her painted stare her silky hair her ghostly glare burns
holes everywhere I waited long I held out strong one
step beyond on my mind all day long I want to blame
uncontrolled desire it set my fu
Ee the level of my need shot up higher confused my
mind guaranteed she's a burning question does the
answer lie up ahead burning question the eternal
flames fire red my make believe it made me I
Had to achieve every part of her that breathed I want to
blame it all on obsession it set my fury free it's a fine
line between possession and smothering at the seams
she's a burning question do
E answer lie up ahead burning question the eternal
flames fire red it's got the shrewd man mesmerized
perplexed and hypnotized the rule of thumb sure ain't
on the rise lost losing control raging
Rom my soul violence is in command her life is in my
hand inside my hand I want to blame uncontrolled
desire it set my fury free the level of my need shot up
higher confused my mind guaranteed s
A burning question does the a
Nswer lie up ahead burning question the eternal
flames fire red it's got the shrewd man mesmerized
perplexed and hypnotized the rule of thumb sure ain't
on the rise burning question burning ques
