Honor abide
Choice of words
That I speak today

Consequent evidence
Now they put astray
Conflicts forever halt
Wipe resentment clean
No thoughts of decadence
Life is now serene

I've foreseen
You're now fortified
Take the highest point
Drive it in your side

Keen are they
Who feel the conqueror
Truth of the heart
Or peace will fall apart

Again it's none for this
None for that, can we share alike
Positive identity
Creates the oversight

Never erase the light in man
No more blockades
Warfare for at last
Are to soon about to fade

I've foreseen
You're now fortified
Take the highest point
Drive it in your side

Keen are they
Who feel the conqueror
Truth of the heart
Or peace will fall apart

It's taken years to mend

Can't take the high hell
Can't change the way they feel

Honor abide
Choice of words
That I speak today
Warfare for at last
Are soon about to fade

I've foreseen
You're now fortified
Take the highest point
Drive it in your side

Keen are they
Who feel the conqueror
Truth of the heart
Or peace will fall apart

Again
It's done
