Any minute the sparks will fly
At that point you will see fear in their eyes
It don't take much to send them crawling back
Just a harsh word then you attack

Well, gather up and take a sigh
See them dropping
Dropping like flies
Find revenge as sweet as pie
See them dropping
Dropping like flies

Some call them noble but I say they're scum
Put them in control see what you become
No excuses for lack of brains
You had your chance now you can't complain

Now gather up and take a sigh
See them dropping
Dropping like flies
Find revenge as sweet as pie
See them dropping
Dropping like flies
See them dropping
Dropping like flies

Dropping, smashing
Dying down

Can't you see 'em up there up on their hill so high
Close enough for gunfire shoot 'em down to size
Long way down, yeah

Gather up and take a sigh
See them dropping
Dropping like flies
Find revenge as sweet as pie
See them dropping
Dropping like flies

Gather up and take a sigh
See them dropping

Dropping like flies
Find revenge as sweet as pie
See them dropping
Dropping like flies

See them dropping
Dropping like flies
See them dropping
Dropping like flies
