Grasped by this certain thing  
Expressing what I feel  
Doin' it for my belief  
Knowin' in my heart it's real

Mastermind won't let it stay  
Givin' it his sentiment  
You can put your thoughts away  
Compromise ain't what was meant

Who gave you  
The right to choose  
Tell you why I'm here today  
Never ever gonna lose

Make a believer  
Out of you  
Make a believer  
What will you do?

I know that I'm the only one that  
Needs to prove it to myself  
I don't need to fix your mind  
It's already added to my wealth

Make a believer  
Out of you  
Make a believer  
What will you do?

What will you do?
