

## **Armored Saint "Hanging Judge"**

I realize that my life  
Tonight must deal with fate  
Painful dwelling  
I can't fight the feeling

I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call the hanging judge

I have a soul that's been lost  
In the climb too many times  
Painful dwelling only left wondering

I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call the hanging judge

I emphasize that  
My final goal has been made  
Painful dwelling  
Hear my voice yelling

I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call the hanging judge  
The hanging judge, the hanging judge

You might as well call the hanging judge
