Where do we go from here  
There must be something near  
Changing you, changing me forever

Places change, faces change  
Life is so very strange  
Changing time, changing rhyme together

There's no where else to go  
This could be our last show  
Changing dreams, changing schemes never

We are never satisfied

Love is gone, along with fun  
Now we're reaching for the gun  
Changing cast, changing fast, no more tether

We are never satisfied
