Fantasize exploding hands  
Archaic science, master plan  
Yeah, hear the war cry watch the crow fly

When your body's set, it never fails  
Then you hear the tale of tales

Bound and gagged  
You're in a reign of fire  
Spells and magic  
In the reign of fire

Complacency with all  
A strong need to bathe in gall  
Yeah hear the war cry, watch the crow fly

When your body's set, it never fails  
Then you hear the tale of tales

Bound and gagged  
You're in the reign of fire  
Spells and magic  
In the reign of fire

Feel the hexes  
In the reign of fire  
Find what sex is  
In the reign of fire

Ya I sold my soul to give to you  
I sold my soul, let me pull you through  
Never fails, no  
Oh it never fails

Feel the hexes  
In the reign of fire  
Find what sex is  
In the reign of fire

Reign of fire  
Reign of fire

Oh
