Go ahead explain, tell me what you plan to be in the future

Go ahead explain, tell me what you plan to see in the future

I've been waiting here for you all
What took you so long?

Symbol of salvation
Who's the symbol of salvation?
What's the symbol of salvation?

Is honesty truly another word for justice?
Honesty is truly another slur on justice

I've been waiting here for you all
What took you so long?

Symbol of salvation
Who's the symbol of salvation?
What's the symbol of salvation?

Hear the knave with information
With a knave is wrong direction
No it's not the symbol of salvation, symbol of salvation

Follow my lead I'll show you the way for the future
Follow my lead we'll digest world decay for the future

I've been waiting here for you all
What took you so long?

Symbol of salvation
Who's the symbol of salvation?
What's the symbol of salvation?

Symbol of salvation
Who's the symbol of salvation?
What's the symbol of salvation?

Who's the symbol of salvation?
Symbol of salvation
