Your red, red lips  
Swivelin' hips  
Movin' in some new blue jeans  
Shufflin' sweet right with that beat  
She can really shake that thing

Belt buckle  
Shinin' day and night  
When she shake that thing  
Hope it's next to mine

I said "Lord have mercy, my oh my  
You been lookin' too good"  
I think you wanna shake with me  
Baby, I think you should

Belt buckle  
Shinin' day and night  
When you shake that thing  
Hope it's next to mine  
Whaooo

Ohh please, please baby, I wanna say  
You lookin' so fine  
And if you hold mine, next to yours  
I'll hold you next to mine

Belt buckle  
Your shinin' day and night  
When you shake that thing  
Hope it's next to mine  
Whaooo

Yeah ohh
