Ah, yea

Black fly, buzzin', buzzin' around  
Black fly, flyin' from town to town  
Black fly, lookin' around and around  
What's he gonna do when he finds her?  
Your share

He got the mojo workin' overtime  
Makin' it, layin' it on the line  
Chasin' his honey with a honeysuckle vine  
Who's so lucky and gets to kiss her?

Black fly  
That's right  
Black fly  
That's right

Flyin' around lookin' for a black cat bone  
Flyin' with John, the conquerer showin'  
Messin' around with a honeybee  
Will she kiss him or sting him, what's gonna be?

Black fly  
That's right  
Black fly  
But that's right

Black fly, buzzin, buzzin' around  
Black fly, flyin' from town to town  
Black fly, zuzzin' all around  
Fly gonna fly when he find her

Black fly  
That's right  
Black fly  
That's right  
Black fly  
That's right  
Black fly  
Ah that's alright
