It's a chemical attraction I just can't slide by  
Every time I look into my baby's eyes  
I'm helpless, so helpless, so I surrender

There's a visual attraction and she's branded my soul  
Simply can't deny it, she has control  
I'm helpless, so helpless, so I remember

She won't let me breakaway  
She won't let me breakaway  
I said break away, yeah, oh yeah

We were working it though, baby we had a groove  
Movin' to a moment when we make our move  
But it happened, something happened  
And I'm not lying 'bout the pain

She won't let me breakaway  
She won't let me breakaway  
I said breakaway, yeah, oh yeah

I want the answer, I want my stuff  
I'm dealing with a feeling deeper than love  
But I'm helpless, so helpless, but I remember

She keeps saying breakaway  
Somethings saying breakaway  
Telling me to breakaway  
Keeps on saying breakaway
