Chartreuse  
Chartreuse  
You got the color that turns me loose  
Chartreuse  
That color just turns me loose  
Better than Magenta  
Better than Fuse  
You got a shade that gets rid of the blues.

Chartreuse  
Don't you knew I like big Caboose  
Chartreuse  
You know I like that big Caboose  
It's sure sweet,  
Lights my fuse  
It's sure sweet,  
Lights my fuse

(Guitar Solo)

Chartreuse  
That color just turns me loose  
Chartreuse  
You got the color that turns me loose

You got the blues baby  
I got the juice  
You got the blues baby  
I got the juice

(Outro Solo)
