"I Need You Tonight"

It's three o'clock in the morning and the rain begin to fall

But I know what I'm needin' but I don't have it all

I'm needin' someone like you that I just wanna do love to

Baby, baby, I need you tonight

Outside my window it's lonely and cold

Inside my heart there's a fire burning out of control

Burning for someone like you I just wanna do love to

Baby, baby, I need you tonight

Your love's coming to me like a wolf howling at the moon

But that just doesn't do me if I can get you soon

I'm calling for someone like you that I just wanna do love to

Baby, baby, I need you tonight
