I don't need her money, I don't need a ride.  
I got enough connections, I don't need a piece of her  
hide.

i just wanna please her,  
I just wanna squeeze her.  
I just wanna crash her,  
I just wanna trash her.  
if I could only flag ner down,  
if I could only flag her down.

Well, it's not because of her beauty and her brand new  
low cut blouse.  
It's not because she's so snooty or a fine famed  
millionaire.  
It's not 'cause she's in motion in a brand new cadillac  
car,  
It's not because of her lotion, she's a real sweet candy  
bar.

I just want to meet her,  
I just want to squeeze her.  
I just want to crash her,  
I just want to trash her.  
if I could only flag her down,  
if I could only flag her down.
