I don't need her money  
I don't need a ride  
I got enough connections  
I don't need a piece of her hide

I just wanna please her  
I just wanna squeeze her  
I just wanna crash her  
I just wanna trash her

If I could only flag her down  
If I could only flag her down

Well, it's not because of her beauty  
And her brand new low cut blouse  
It's not because she's so snooty  
Or a fine famed millionaire

It's not 'cause she's in motion  
In a brand new Cadillac car  
It's not because of her lotion  
She's a real sweet candy bar

I just want to meet her  
I just want to squeeze her  
I just want to crash her  
I just want to trash her

If I could only flag her down  
If I could only flag her down
